Gloria,

Perhaps I can ask you this question.
I am getting ready to do an electronic search for HQ records.

Here are the following key search words that I have identified.

I realize that I could also search using McKesson or the Arkansas Department of Environmental Quality. However, if I did so, I wouldn't necessarily be pulling up an email on the Arkwood site. However, I am certain that the following key words would do so.

Do you have suggestions for any other key search words?

Arkwood
EPA ID# ARD084930148
Site ID 0600124
Grisham

Thanks
Marlene

Hi Marlene,

All the foias for WQ comes to the division FOI officer, then to division/deputy director, then to FOI officer and she assign to branch chief; branch chief assign to section chief; section chief assign to staff. The staff person then check all area (database, file room, etc.) for responsive documents. If there are any records the staff will send an electronic copy of responsive documents to the FOI officer. The FOI officer will then upload all responsive documents to foiaonline and close out the foi. Since this is a multiple division request the RFO will coordinate all responsive documents that s been uploaded to foiaonline.

Marlene

Since this is a multiple division FOIA, I can only speak for Superfund Division. Leticia would have to coordinate the answer for other divisions within Region 6. Additionally, once the FOIA is received we send out the FOIA request to site team members who check to see if they have any responsive records that have not been infilled into SEMS.

Hi,
Could you send me the key words that Region 6 used in doing the electronic search for your Arkwood FOIA?
Thanks

Hi Dee Dee, I'm not sure if HQ would have records for #1-4, but the 6SF site team coordinates with HQ via Marlene Berg, the national dioxin coordinator, so I included her on cc for any information.

Also, currently 6WQ is working with 6RC on an Arkansas Water Quality Standards issue that Curt had inquired about. I included Russell Nelson, the 6WQ regional standards coordinator, on cc as well.

If any further inquiries, please keep Marlene and Russell on cc. Curt Grisham had called yesterday to inquire about the site and related items. Prior to that, he sent an email on 12/31/2014 inquiring about the Arkansas WQS.

Hi Team

Mr. Grisham has submitted two new Arkwood FOIAs. The first one EPA-R6-2015-003886 appears to be Region 6 solely and we will process as normal.

The second was submitted to HQs. EPA-HQ-2015-003887. HQs is asking the following:

EPA-HQ-2015-003887 - The second request below this one went to HQ FOIA office. I was talking with HQ FOIA contact and they are wondering if HQ would have any responsive records. Would R6 have a HQ contact regarding what Mr. Grisham is asking for? Would HQ have anything to do with this? If HQ processes they will task to R6 because of item (5) in request below.
